

ESPADÍN JOVEN ARTISANAL MEZCAL DÍA DE LOS MUERTOS 2022 BATCH

Uncork this bottle and allow the aroma to teleport you to the moment it was crafted in Oaxaca. Taste the unique flavors of this mezcal created during the 2022 Día de los Muertos celebration. The air thick with the smell of marigolds and cock's comb flowers, delicious cooking, and sounds of music, laughter and activity.

Our single-release batch of Chulele Mezcal handcrafted in Santiago Matatlán, Oaxaca, Mexico celebrates and embodies the 2022 Día de los Muertos festival. Everything happening, whether spiritual or environmental, has helped Maestro Mezcalero Tomás Méndez Hernandez create this unique distillation. This spirit has a bold nose and flavor yet simultaneously offers a gentle, comforting essence.

Only 1250 bottles of this special mezcal were produced, with only 1,200 bottles released for purchase.
